SPARTAN HERALD

<http://rea.frederick.k12.va.us>

Dear Parents:

The faculty, staff and administration at Robert E. Aylor Middle School would like to extend a heartfelt WELCOME to all of our new and returning students and their families!

One of the reasons that Aylor students are so successful is that our teachers and parents are firmly committed to helping their students find the joy in learning and the satisfaction of a job well done! We greatly appreciate all the work that is being done at home to support our students and their learning. We have high expectations for our students, and our curriculum is very challenging. It is the combined efforts of the parents, teachers, and students that enable Aylor to excel in areas of academic performance within Frederick County.

Please know that each and every Aylor student is important to us! This year you can expect that your child will be challenged to learn new content, utilize technology in their learning and exhibit outstanding character as well as actively participate in academic and extra-curricular activities. We hope to have you onboard for this exciting and challenging journey. In addition, you as a parent will be using a new system to review your child's grades. Over the summer, Frederick County Public Schools replaced Edline with a new student information system from Tyler Technologies called Parent/Student 360. The new system will provide parents with access to a variety of information, including student schedules, grades and attendance data. Shortly after the start of the 2016-17 school year, parents will receive a user name and password that will allow them to login to Parent/Student 360 to access information regarding their student(s). The Parent/Student 360 link can be found under the Parent & Students tab on the Frederick County Public Schools website (rea.frederick.k12.va.us) and each individual school website.

Summer is coming to a close and it is time to start thinking about the new school year, which begins Wednesday, August 17. Several events and activities will be getting underway soon. Details of the various activities can be found in this newsletter. Information is posted on the school website and on Comcast channel 18. We will continue to use Peachjar to post announcements as well as send messages via the Rapid Communication System.

As always, we encourage all of our students to get involved in the many clubs and activities that are offered here at Aylor. Join any one of the following clubs: FFA, TSA, FCCLA, FBLA, SCA, & Math Counts. Participate in the following activities: Flag Team, annual school musical, Accents Magazine, Chess Club, Spelling Team, Dance Team, M.A.T. Program (info. in guidance), Book Club, and others. Students should listen to daily announcements and check the large screens in the cafeteria for school information. Make your middle school experience a great one by getting involved!

Back to School Night will be held on Thursday, September 8, for grades 6 – 8 starting at 6:30 p.m.

I hope everyone enjoys the remainder of the summer, and we are looking forward to another great year at R. E. Aylor Middle School!

Sincerely,

David L. Rudy II
Principal

Keep Information Up-to-Date

Please be sure to contact the school whenever any of your child's contact information changes. It is important that the school has correct contact information for each student's parents/guardians. Whenever a home phone number, cell phone number or email address changes, please contact the school so that our records can be updated. Without the correct contact information, we are not able to effectively communicate and reach you in the event of an emergency. Thank you!

A BIG thank you to Anthony's Pizza, Rita's Italian Ice, Chick-fil-A, CiCi's Pizza, and Ledo's Pizza, for their donations of marking period 4 rewards!!

Wednesday, August 10 - Tryouts from 3:30pm - 6:30pm

Players should wear shorts, t-shirts (with last name written on the back), tennis shoes or cleats (please do not buy cleats until you know you have made the team). Bring an extra water bottle.

Practice August 11-12, 15-16: 3:30-6:30 PM

School Begins August 17th: Practice 3:00 PM to 5:30 PM rest of that week through August 19

From August 22nd forward we will practice Monday through Friday from 3:00 to 5:00 PM

SPORTS PHYSICALS

If you plan on participating in any school sports for the 2016/2017 school year you need to have a physical on file with the School Board Office before you can try out.

We have forms in the front office or you can go online to the Aylor website under the athletics tab and then select athletic participation.

MEDICAL INSURANCE

*For the students' protection, if medical insurance is not currently provided through the parents' employer or individual plans, parents are strongly encouraged to purchase insurance from a private vendor or the student accident insurance program available through the school division vendor—The Young Group, Inc. Information about plan types and enrollment instructions can be found online. Go to your child's school website, click on Parents and Students then Health Services then Student Accident Insurance, where plan information and enrollment instructions are located. Enrollment and claim forms are also available in each school office. **Frederick County Public Schools' insurance plan does NOT provide medical coverage for accidents or injuries to students during school or during school-sponsored extracurricular activities.***

CROSS COUNTRY

Attention all students that love to run long distance! We will start Cross Country practice on Wednesday, 8/10, at Aylor from 3-4pm, every week day. A sports physical must be on file with the school board prior to the first day of practice. On the first day of school (August 17th) practice will be held at Sherando Park after school until 4:45 each day. There will be a mandatory parent meeting on Monday, 8/15 at 4pm in the library . Please plan on conditioning over the summer and be able to run 2 miles by the first day of practice.

FREDERICK COUNTY PUBLIC SCHOOLS

EMERGENCY SCHOOL CLOSINGS INFORMATION FOR PARENTS

August 2016

When a storm brings snow, ice, freezing rain, flooding, or other hazardous conditions to Frederick County or an emergency situation occurs, care for safety may necessitate closing schools, dismissing early, or opening them later than usual in the morning.

WHEN THE DECISION IS MADE

If weather conditions occur that make it obvious our schools will not be able to operate the following day, an announcement for the next day is sent out on the FCPS Rapid Communications System and is communicated to radio and television stations. If the situation is uncertain or a storm develops during the night, the decision is not made and announced until early the following morning. A decision for the county must be made no later than 5:30 a.m. in order for announcements to be made in a timely manner.

HOW THE DECISION IS MADE

The assistant superintendent for administration, director of transportation, and other transportation employees check weather and road conditions in different sections of the county. They also coordinate with the highway department, public safety officials, and each other. In addition, school officials take a firsthand look by driving some county school-bus routes. The next step may involve checking with other school superintendents, particularly those in Winchester City, Clarke, Shenandoah, and Warren Counties. Finally, a recommendation from the assistant superintendent for administration and the director of transportation is presented to the superintendent, and a final decision is made.

LINES OF COMMUNICATION

After a decision to close school or delay opening is made, an announcement is sent out on the FCPS Rapid Communications System and is communicated to radio and TV stations listed below:

Radio Station Call List	
WINC 92.5FM/1400AM	WRNR 740AM
WUSQ 102.5FM/WFQX 99.3FM	WSIG 96.9FM
WZRV 95.3FM/WFTR1450AM	WBOP 106.3FM
WKMZ 97.5FM/WPEM 1340AM	WFTX 610AM
WYII 95.9FM	

TV Station Call List	
Cable Channel 18	Channel 4 (WRC-TV)
WHSV Harrisonburg	Channel 5 (WTTG-TV)
Channel 25 Hagerstown	Channel 7 (WJLA-ABC7)
Channel 99 (WAZT)	Channel 9 (WUSA TV9)

The decision will be broadcast shortly after the station is called. In addition, Frederick County Public Schools' information line at 540-722-6443 or 540-662-3889, ext. 6, and Cable Channel 18 will have information on emergency school closings.

Frederick County Public Schools also utilizes a free e-mail service that will notify parents immediately of announced school closings or opening delays. Parents with the ability to receive e-mail may register free of charge at www.schools-out.com. In the event of school closings or cancellations, parents who subscribe to the service will receive an e-mail message sent to the address that they specify notifying them of schedule changes. This is a free service provided to the school division and control of the www.schools-out.com site rests with the non-profit group that sponsors the site. Additionally, the information may be accessed by going to the Frederick County Public Schools web site at www.frederick.k12.va.us and clicking on

the "Info for Parents" graphic on the opening screen.

It is important that parents and students not telephone the stations for information about school closings. Such efforts may block delivery of the very information the individual wishes to obtain by preventing a call from a school official with the announcement.

ONE-HOUR DELAY

The one-hour delay schedule is employed when the weather situation is not sharply defined or when some roads are not clear and daylight will improve safety. A decision on this must also be made by 5:30 a.m. Use of the delay means that all schedules are moved one hour later. For example, a student who usually boards a school bus at 7:30 a.m. will be picked up at 8:30 a.m. Use of the delay allows schools to operate a full day if conditions significantly improve after 6:30 a.m. On occasion, if weather conditions worsen, schools will be closed and the announcement made before 7:30 a.m.

TWO-HOUR DELAY

A two-hour delay may, at times, be announced. When this occurs, students will be picked up two hours later than usual, and no breakfast will be served at school.

EARLY DISMISSAL

A storm can develop or conditions become hazardous at anytime in the morning necessitating an early closing. If this occurs, the high schools will be dismissed at 12:00 p.m., middle schools at 12:15 p.m., and elementary schools at 1:00 p.m. When early dismissal is announced, parents may go to the schools and pick up their children. We ask your cooperation in parking to avoid dangerous situations for students and buses. During serious weather conditions, these times may be changed and announced on the identified communication channels.

DIFFERING ROAD CONDITIONS

The condition of relatively narrow secondary roads bears heavily on the decision to close schools as well as to reopen them. Sometimes patrons ask why

schools are not in session after students have been out a day or two and roads in Winchester and the suburbs are clear. The decision for the entire school system is made in relation to the condition of all roads in Frederick County. Many times city and suburban streets are in good condition for travel, but some secondary roads remain icy and very dangerous.

Frederick County has approximately 650 miles of highways. This includes 26 miles of I-81, 101 miles of primary highways, and 523 miles of secondary roads, including 172 miles of unpaved roads. The heavily traveled routes (I-81, Rt. 37, and U.S. 11, 50, and 522) are always cleared prior to secondary roads.

EMERGENCY SNOW-SCHEDULE ROUTES

If icy conditions persist, it may be necessary to operate schools and have reduced bus routes. If this occurs, the radio announcement will state that buses will operate on the emergency schedule. Parents on roads where buses will not operate should get their children to the location designated on the emergency snow schedule until the bus can resume its regular route. This information will be sent to parents living on the emergency snow-schedule routes.

BAD WEATHER DAYS IN SCHOOL CALENDAR

The School Board reserves the right to change the calendar in relation to holiday observance and make-up days (see school board policy). Seven (7) inclement weather days are built into the 2016-17 school calendar. The first five days missed are made up one for one. If more than five teaching days are missed, one day will be made up for each two days missed in excess of 5 and up to 9 make-up days. Fourteen or more teaching days missed will require subsequent school board action to adjust the school calendar.

CONCERN FOR SAFETY

Any decision about closing schools is made with safety of the students as the primary concern.
