REAP-This is a daily period that allows students to go to one of their teachers and complete or revise assignments. It is the student's responsibility to ASK FOR REAP PASSES. Please urge your student to take advantage!

M.A.T. Program-The M.A.T. Program (Mentors-Academics-Teamwork) is an after school program that runs every Tuesday from 3-4 PM. During this time, students work on assignments with high school student volunteers. Once a month, students who regularly attend the academic sessions will be eligible to participate in fun, team-building games and activities.
